

PRESS RELEASE

Mahlo GmbH + Co. KG extends their management

Alois Böckmann: New member of the management from 1st July 2010

As from 1st July 2010, Mr. Alois Böckmann, 46, has been appointed to the management of the machine and automation specialist Mahlo GmbH + Co. KG.

He is responsible for accounting, human resources, IT, materials management and production. As a state certified economist, he is a reputed expert with many years experience in controlling and organisation.

Already since 01.12.2008, Mr. Alois Böckmann has been worked with Mahlo GmbH + Co. KG as commercial director. Before the native Westphalian moved to the specialist for measurement, control and automation systems, he was responsible for accounting, human resources, IT and materials management with Feintechnik GmbH Eisfeld as commercial director.

The management of Mahlo GmbH + Co. KG looks forward to keeping the company on the road to success.
